

Hands-On at Otago 2023 Whai Wheako i Ōtākou

Business Scholarship

Business Hands-On Scholarship

Otago Business School offers Hands-On at Otago scholarships to students who have selected business projects in their application and are looking to pursue further study in business. There are four scholarships available and they cover the full registration cost plus travel to and from Hands-On at Otago 2023 (up to a maximum total value of \$1,500). These scholarships offer students who are entering Year 12 or 13 in 2023 an opportunity to participate in the Hands-On programme, while experiencing one of our exciting business projects.

Hands-On at Otago is a programme intended to give students practical experience in research and university life – the kind of opportunity normally only available to current students. The programme is open to students with a strong interest in learning, who are motivated to succeed and have the potential to achieve well.

The aim of the scholarships is to inspire and motivate our young people who have a passion for learning and wish to develop their knowledge and skills alongside many other students who share their interests.

The business scholarships are for students who wish to take business projects, whether they have experience in business subjects at secondary school or have had exposure to business-related extra-curricular activities.

What do I need to do?

STEP 1 Fill out the application form online at: otago.ac.nz/hands-on-at-otago

.....

STEP 2 Write an essay of approximately 500 words explaining who and/or what inspires you to undertake study in Business subjects at the University of Otago.

.....

STEP 3 Request a letter of support for your application from a teacher who has been involved in your education journey around topics that can be applied to a business setting.

The letter of support must be written on your school's official letterhead paper.

.....

Applications

Applications for the scholarship must be completed online by 5pm, Thursday 8 September 2022.
