

Hands-On at Otago 2023

Whai Wheako i Ōtākou

Dodd-Walls Scholarships

Dodd-Walls will fund up to 10 scholarships (fees and travel) for Hands-On participants. The Dodd-Walls scholarships will support Māori and Pacific students with a preference for students from Māngere College and students from schools, which are associated with the Science Wānanga programme.

The requirements are:

- Students complete STEM modules during Hands-On.
- Students should be interested in studying Science.
- Students are invited to tell the Dodd-Walls Centre about their Hands On experience (stories to be used in the Dodd-Walls Centre newsletter, on the website and in the annual report).
- The Dodd-Walls Centre is to receive photos of the students individually and as a group and active photos of the students taking part in the Hands-On activities. The photos will be used in the newsletter, on the website and in the annual report.

Hands-On at Otago STEM subjects for 2023 are:

Anatomy
Biochemistry
Computer Science
Engineering
Food Science
Genetics
Geology
Immunology
Information Science

Marine Science
Microbiology
Nanochemistry
Natural Products Chemistry
Pharmacology and Toxicology
Pharmacy
Physics
Sports and Exercise Sciences
Zoology

What do I need to do?

STEP 1 Fill out the application form online at:
otago.ac.nz/hands-on-at-otago

STEP 2 2. Write an essay (500 words max and word processed) answering the question:
"Describe how you think Science will change our world in the future."

STEP 3 3. Request a letter of support for your application from a teacher at your school.
~ The letter of support must be written on your school's *official letterhead* paper.

Applications

Applications for the scholarship must be completed online by
5pm Thursday 8 September 2022.
