

Bachelor of Oral Health – Statement of Interest

A statement outlining your reasons for wanting to undertake the Bachelor of Oral Health.

- Statement of Interest of no more than 600 words, explaining why you wish to pursue the Bachelor of Oral Health.
- Your Statement of Interest would be enhanced by including details of any recent interaction with the professions, i.e. oral health therapy, dental hygiene, or dental therapy, and should cover the following areas:
 - Demonstrate that you understand the working life of an oral health therapist, and describe the attributes that you believe you could bring to the profession
 - Describe your motivation for wanting to join the oral health therapy profession
