**ADMINISTRATIVE PROCEDURES
STUDY ASSISTANCE APPLICATIONS
FOR STUDY AT THE UNIVERSITY OF OTAGO**

1. The application form must be completed by the applicant, their Manager, Divisional Head (and Chief Operating Officer in Operations Divisions) or Dean in the Division of Health Sciences. Forms are available from the Fees Office (extn 8223) and on the Human Resources website at: <http://www.otago.ac.nz/humanresources/working-at-otago/employee-benefits/study-assistance/index.html>
2. Applicants for the DBA/MBA must also complete a special form which is available from the Training Co-ordinator, Human Resources (extn. 4101, hrtraining@otago.ac.nz).
3. Applications for fees grants in excess of the \$8,163 limit (with the exception of postgraduate courses in Health Sciences) may be approved by the Divisional Head or Dean in the Division of Health Sciences.
4. **Once each application has been considered by the Divisional Head (and Chief Operating Officer in Operations Divisions) or Dean in the Division of Health Sciences, and been approved, amended or declined, the application form and any attached papers should be sent to the Fees Office not later than two weeks prior to the due date for payment of fees. At the same time, a copy of the form should be sent to the Head of Department who will advise the applicant of the success or otherwise of their application.**
5. The Fees Office will send all successful candidates an amended fees account and charge the balance remaining to the specified departmental account code. It is important that departments check that the account code specified on the application form is correct.
NB: Only one account code can be entered in the fees ledger so departments that wish to split costs must do so by journals after the account has been paid.
6. For Māori Language papers the Fees Office will charge 70% to the specified departmental account code and the remaining 30% will be charged to the Office of the Director of Māori Development.
7. All fees must be paid by the prescribed date. Staff members who do not meet the deadline will be charged a late fee.
8. The University will deduct from the staff members' salary/wages any unpaid fees that are their personal responsibility and that remain unpaid ten working days after the first reminder notice together with any late fees incurred.
9. Application for second semester papers only will be accepted mid year but staff should be encouraged to make all Study Assistance applications at the beginning of the year.
10. If a staff member wishes to change their course after a study assistance grant has been approved they must gain written approval from their Manager and attach it to the amended application form. Failure to do so will result in the staff member meeting the full cost of the study.
11. Please note that all staff who do not have permanent resident status must pay full cost fees.
