ADMINISTRATIVE PROCEDURES
STUDY ASSISTANCE APPLICATIONS
FOR DISTANCE STUDY AT EXTERNAL TERTIARY PROVIDERS

1. The application form must be completed by the applicant, their Manager, Divisional Head (and Chief Operating Officer in Operations Divisions) or Dean in the Division of Health Sciences.
2. Applicants for MBA/DBA or Executive MBA programmes must also complete a special form which is available only from the Training Co-ordinator, Human Resources (extn 4101, hrtraining@otago.ac.nz).
3. Applications for distance learning will be considered prior to the commencement of the year in which study will occur. This applies regardless of the semester study commences. The normal expectation is that a full-time member of staff applying for distance study will complete any study undertaking in up to four years.
4. Applications for fees grants in excess of the \$8,163 limit may be approved by the Divisional Head or Dean in the Division of Health Sciences.
5. Once the form has been authorised and recorded by the Division, the original should be returned to the department so that a reimbursement can be organised.
6. Applicants are expected to pay their own fees and then claim a reimbursement. It is the responsibility of the department concerned to organise that reimbursement. **Please note that original receipts and a copy of the authorised study assistance form must be attached to all claims for reimbursement.**
7. In order to reimburse staff for 100% study assistance for external Māori language papers, please fill out a reimbursement claim form for the 70% of the fee which is to be paid by your department, attach it to a copy of the Study Assistance form together with the original fees receipt, and forward the documents to the Office of the Director of Māori Development. They will then complete the reimbursement form for the remaining 30% of the fee to be paid by their office, and will forward the claim to Accounts.
8. The department must pay 70% of the cost of tuition fees for technical trainees on enrolment, and the remaining 30% on successful completion of their examinations.
9. The department is required to send Human Resources official notification of the examination results of all technical trainees.
