NOTES

- 1 The Research Assistant Scale applies to short term positions, normally of less than one year in duration, the purpose of which is to provide assistance with research projects, where the nature of the work does not meet the criteria for Assistant Research Fellows.
- 2 For Appointment at RAN.01 The job would not require graduate level skills
For Appointment at RAN.02 The job content would require graduate level skills (Bachelors degree)
For Appointment at RAN.03 The job content would require a degree with some research component, eg Honours or PG Dip
For Appointment at RAN.04 The job content would require a degree with substantial research component, eg a Masters graduate or a PHD student

The appropriate grade for the position will be determined by the employer based on the job content in accordance with the criteria listed.

- 3 There is no automatic progression between grades in the Research Assistant Scale. Movement from one level to another is by decision of the employer based on changes in requirements of the position.

All enquiries regarding these salary scales should be made to Human Resources Division.
