

IT Training Room 1, University of Otago

IT Training Room 1 is equipped with 15 iMac dual-boot computers (which run either Mac OS X 10.11 or Windows 7 or 10) and a data projector. There is an additional computer for the trainer, a projection screen and a whiteboard. The specification for the computers is as follows:

iMac 21.5 inch (Purchased 2013)
2.7GHz Quad-core Intel Core i5, Turbo Boost up to 3.2GHz
16GB 1600MHz DDR3 SDRAM - 2x8GB
1TB Serial ATA Drive @ 5400 rpm
NVIDIA GeForce GT 640M 512MB GDDR5
Apple Mouse
Apple Keyboard with Numeric Keypad

Windows 7 or Windows 10 Operating System
Mac OS X 10.11

By each computer we have two network ports - one for the University network and one for an internal network. (There are currently no servers on the internal network or any services set up, but it means that when we run Network courses we can set up the servers on a closed network.)

Information correct as at 19 April 2016

IT Training Room 2, University of Otago

IT Training Room 2 is equipped with 15 iMac dual boot computers (which run either Mac OS X 10.11 or Windows 7 or 10) and a data projector. There is an additional computer for the trainer, a projection screen and a whiteboard. The specification for the computers is as follows:
