Otago Law Alumni SCHOLARSHIP

“What I love most about the Otago Law Faculty is the collegial and supportive way students treat each other. Every year I meet young people who would dearly like to study law at Otago but face financial barriers. If we all pool together we can give these young people a chance to study law at Otago and go on to make a significant contribution to our society.”

PROFESSOR MARK HENAGHAN
FACULTY OF LAW

We welcome your contribution toward this Undergraduate Scholarship within the Faculty of Law at the University of Otago.

This scholarship is being established to provide support to high achieving, deserving year 13 students who aspire to study Law at Otago.

For many students the practical aspect of attending our fine University is merely a dream and one that appears to be out of their reach. This scholarship will give support to deserving students that may otherwise not have this opportunity.

Professor Mark Henaghan, a world renowned lecturer in the Law Faculty is very passionate about this annual scholarship. This will provide financial support for tuition fees or accommodation fees in their 1st year of studying Law. The aim is to open the world of opportunities and choices to students that would otherwise not be able to attend the University of Otago.

Gifts to the Otago Law Alumni Scholarship will be administered by the University of Otago Foundation Trust. The Foundation Trust is a registered charity (#CC20440) and has donee status in New Zealand and Canada.

Consider joining other Law Alumni & Friends in supporting this scholarship. Your support will make a difference to a student's future: to our future!

We thank you for your support.
