Marine Kiwiana – Made in NZ

LOCATION:	New Zealand Marine Studies Centre, Portobello, Dunedin
PROGRAMME DESCRIPTION:	<p>This programme focuses on the importance and pride that we have in being a New Zealander. Not limited to the people of New Zealand, but including the intimate relationship that we have with marine creatures in surrounding areas.</p> <p>Students will get to explore and inquire into the lives of the marine creatures that we rely on for many aspects of our everyday lives. They will relate to their own identity as New Zealanders along with those who have become New Zealanders over time, but may also be found elsewhere.</p> <p>Extensions:</p>
LEARNING OUTCOMES:	<ul style="list-style-type: none">▪ Students will gain a deeper understanding of what makes us New Zealanders, and how our environment, in particular our marine environment, helps to form us.▪ Our unique species give raw materials and inspiration for products and creativity that expand, explain and export an evolving 'kiwi' culture. <p>Extras:</p>
