

Think and behave like a scientist

Science capabilities wall display

Instructions:

1. Print the following template pages.
2. Laminate the “Think and Behave Like a Scientist” frame page.
3. Cut out and laminate the four capability phrases on the following pages.
4. Attach Velcro dots (or Blu-Tack) to the frame page and to the phrases so you can interchange them on the frame.
5. Display the frame page in your classroom with the relevant phrase attached to the template according to what science capability you are focusing on.

**Think and behave
like a scientist**

The image features a vibrant blue background with a subtle, wavy texture, resembling water or a sky gradient. In the upper portion, the text "Think and behave like a scientist" is written in a large, bold, white font with a thick blue outline. Below the text, a large, empty white rectangular area occupies the lower half of the image, providing a space for additional content or a drawing.

Capability 1

Observing and Inferring

Capability 2

Explaining Ideas Using Evidence

Capability 3

Can we trust this?

Capability 4

**Information is Shared in
Many Ways**
