

Scavenger Hunt

**Look for the following on the beach.
Remember not to collect anything that is alive,
just describe it.**

Can you find?

1. A shell with growth rings.

2. A shell with a round hole – think about how the hole was made.

3. Something that has been in the water for a long time.

4. 4 different shaped shells – think about the type of animal that made the shell.

5. Something man made – think about where it came from.

6. Something round.

7. Something hairy.

8. Something edible.

9. Something with joints.

10. Something smooth.
