

TOXINZ

POISONS INFORMATION

ONLINE POISONS INFORMATION

TOXINZ™ is the essential online poisons information database for all healthcare professionals and teaching institutions.

TOXINZ™ provides evidence based poisons information and clear treatment guidelines to aid clinical decisions.

Comprehensive

TOXINZ™ includes over 190,000 chemicals, chemical products, pharmaceuticals, plants and hazardous creatures. Content is updated on a real time basis; 24 hours a day, 7 days a week.

Easily Searched

TOXINZ™ provides rapid access to the right information. Search functionality allows spelling error correction and phonetic word search.

TOXINZ™ includes brand names and combination products removing the need for clinicians to identify individual ingredients and chemical entities.

Evidence Based

TOXINZ™ content is fully referenced with direct links to PubMed abstracts.

Clinically Relevant

TOXINZ™ includes the following information for each product:

- Description
- Intervention Criteria
- Treatment
- Signs and Symptoms
- Toxicity
- Fully Referenced
