Students should make sure that all submitted work is their own. Plagiarism is a form of dishonest practice. Plagiarism is defined as copying or paraphrasing another's work, whether intentionally or otherwise, and presenting it as one's own (see the University of Otago Calendar). In practice this means plagiarism includes any attempt in any piece of submitted work (e.g. an assignment or test) to present as one's own work the work of another (whether of another student or a published authority).

Any student found responsible for plagiarism in any piece of work submitted for assessment shall be subject to the University's dishonest practice regulations which may result in various penalties, including forfeiture of marks for the piece of work submitted, a zero grade for the paper or, in extreme cases, exclusion from the University.

In submitting this form I/we declare that; I/we have read and understand the statement on plagiarism in the BPharm Student Handbook and the University of Otago website at <http://www.otago.ac.nz/study/plagiarism> and confirm that I/we have read, understood and endorsed the entire contents of this assignment.
