

Park n Ride Information Sheet

The University provides free car parking for University staff and students at our Park n Ride facility. The Park n Ride car park is located at The Forsyth Barr Stadium car park with access from Anzac Avenue. 150 spaces are available for the exclusive use of University staff from the hours of 7.30am to 7.30pm Monday to Friday.

Users are required to display a valid University Park n Ride permit in the windscreen of their vehicle at all times in the car park. To obtain a permit please contact parking@otago.ac.nz.

A free shuttle service operates Monday to Friday to take permit holders from the Park n Ride to the main areas of campus and back again. Please see below for shuttle timetable, route map and further details.

Please note that the Park and Ride car park spaces are located within the larger Forsyth Barr stadium car park and any vehicles parking outside of the designated University Park n Ride spaces will be subject to the stadium's charges and penalties and may be removed at the owners' expense. Permits for the Park n Ride are over allocated so an available space is not always guaranteed.

For any further information, please email parking@otago.ac.nz.

Park n Ride Shuttle Bus Timetable

AM Service: 8.00am, 8.20am

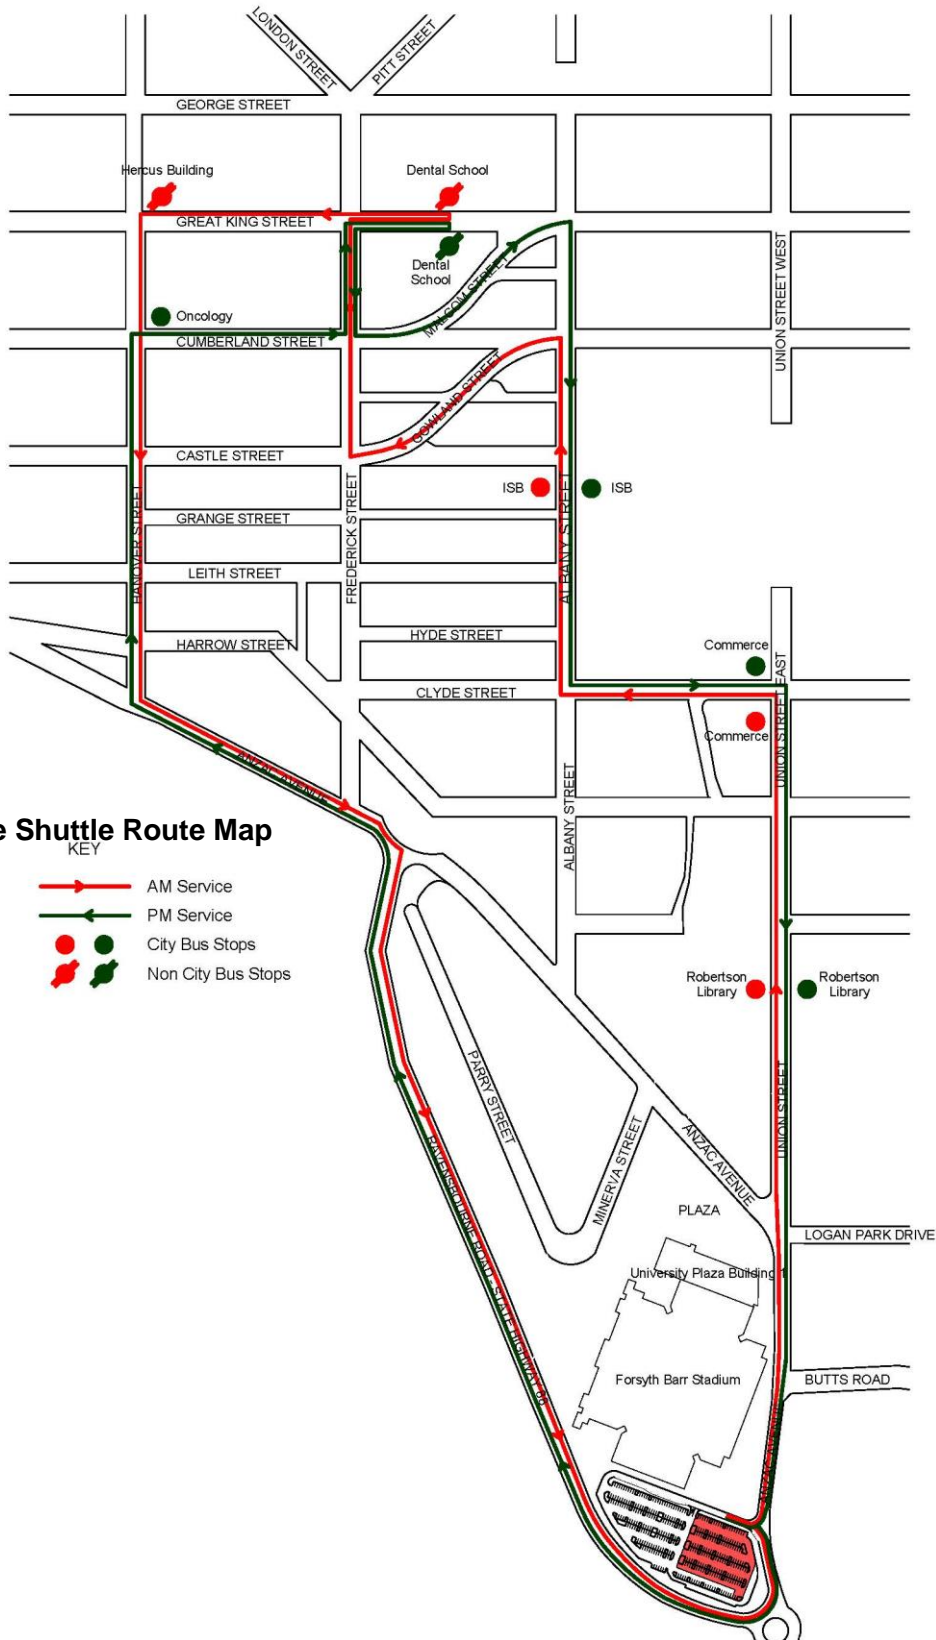

PM Service: 5.10pm

Mon – Fri (excluding statutory public holidays)
