

Park n Ride Information Sheet

The University provides car parking for University staff and students at our Park n Ride facility. The Park n Ride car park is located at The Forsyth Barr Stadium car park with access from Anzac Avenue. 150 spaces are available for the exclusive use of University staff and students from the hours of 7.30am to 7.30pm Monday to Friday.

From 2021, permit holders are required to pay an annual \$50 administration fee. Note that more than 150 permits are issued for the Park n Ride, so payment of the fee does not guarantee a park.

Users must display a valid University Park n Ride permit in the windscreen of their vehicle at all times in the car park.

A free shuttle service operates Monday to Friday to take permit holders from the Park n Ride to the main areas of campus and back again. Please see below for shuttle timetable, route map and further details.

Please note that the Park n Ride car park spaces within the larger Forsyth Barr stadium car park are marked 'OU'. Any vehicles parking outside of the designated University Park n Ride spaces will be subject to the stadium's charges and penalties and may be removed at the owners' expense.
