

In relation to Professional/Clinical Practice (as appropriate), to review and evaluate:

- Appropriate recognition of the contribution of professional staff/clinicians working in academic departments;
- Recognition of the importance of professional/clinical experience for staff in academic disciplines.

In relation to Joint Campus/DHBs:

- Appropriate responsibility for and oversight of facilities which are shared with other entities e.g. DHBs
- Staffing processes which ensure appropriate balances of academic and professional contributions to the health system where appropriate
- Appropriate processes for communication and liaison in relation to health system contributions
- Presence of good governance relationships with DHBs as they affect academic and clinical staff and service responsibilities

In relation to teaching and academic clinical activities:

- Availability of appropriate clinical teaching placements and learning experiences for students
- Processes for ensuring appropriate standards of professional and academic supervision, support and services, and professional registration and maintenance of competencies of staff.

Otago Medical School

As all Departments within the Otago Medical School contribute to the MB ChB programme, this should be addressed specifically in the Terms of Reference for the review. The Division has agreed that the following Terms of Reference are required.

- Describe your plan for teacher development.
- How does the department gain and respond to feedback on the modules within the MBChB course, to which your department contributes?
- What is your department doing to promote curriculum (including assessment) integration and collaboration with other departments, schools, and campuses?
