

Director's Cancer Research Trust

Request for Proposal for Cancer Research

Background

The Director's Cancer Research Trust was established in 1967 to support cancer research at the University of Otago. The Trust is calling for research proposals, and particularly wishes to encourage applications from new and emerging researchers in the cancer field. Funding is available for one proposal of up to \$150,000 excl GST.

Preferred latest project start date: 1 December 2023

Director's Cancer Research Trust Grant

- a) Amount up to \$150,000 maximum
- b) Duration 1-2 years
- c) Funds may be used for salaries (e.g. post-doctoral, ARF, RF positions) and/or expenses but not capital equipment. Indirect salaries will not be funded. Up to \$10,000 can be used to contribute to departmental overheads
- d) May be for a stand-alone project or part of a larger programme of research
- e) Eligibility – University of Otago academic staff, including postdoctoral fellows

Application Requirements (see attached template)

- a) Title, Principal Investigator name, position and department, details of other investigators
- b) Lay Summary (max 100 words)
- c) Project background, aims, methods, relevance to cancer prevention, diagnosis or treatment, implementation pathway, references (up to 4 pages excluding references, 11 pt font single spaced)
- d) Budget
- e) Ethics approvals as required, and signatures
- f) PI CV in NZ RS&T format

A signed CCW and an electronic PDF version are to be provided to your Research Advisor by, or on, the closing date of September 29th 2023.

The Research Office will email a PDF of the application to the Trust on your behalf.

Funding decisions are anticipated to be made by the end of October 2023.

Director's Cancer Research Trust Application

Research Project Title:

--

Details of Principal Investigator:

Name	
Department	
Position	
Telephone	
Email	

Anticipated Start Date:

Details of other Investigators: *(Copy and paste table if necessary)*

New Zealand RS&T Curriculum Vitae Template

Sections may be expanded or reduced, but a CV must be no more than two pages for part 1 and no more than three pages for part 2.

PART 1

1a. Personal details				
Full name	<i>Title</i>	<i>First name</i>	<i>Second name(s)</i>	<i>Family name</i>
Present position				
Organisation/Employer				
Contact Address				
		Post code		
Work telephone		Mobile		
Email				
Personal website (if applicable)	http://			

1b. Academic qualifications
<p><i>Delete and start typing here. List in reverse date order. Start each qualification on a new line as per the example:</i></p> <p><i>e.g. Year conferred, qualification, discipline, university/institute.</i></p>

1c. Professional positions held
<p><i>Delete and start typing here. List in reverse date order. Start each position on a new line as per the example:</i></p> <p><i>e.g. Year-year, job title, organisation.</i></p>

1d. Present research/professional speciality
<p><i>Delete and start typing here.</i></p>

1e. Total years research experience	years
--	-------

1f. Professional distinctions and memberships (including honours, prizes, scholarships, boards or governance roles, etc)
<p><i>Delete and start typing here. List in reverse date order. Start each professional distinction on a new line as per the example:</i></p> <p><i>e.g. Year / year-year, distinction.</i></p>

1g. Total number of peer reviewed publications and patents	Journal articles	Books, book chapters, books edited	Conference proceedings	Patents

Part 2 The following sections should not total more than three pages.

PART 2

2a. Research publications and dissemination

Expand/reduce the following table as needed, listing publications relevant to your proposal. List in reverse date order. **Bold** your name in lists of authors.

Peer-reviewed journal articles
Peer-reviewed books, book chapters, books edited
Refereed conference proceedings
Patents
Other forms of dissemination (reports for clients, technical reports, popular press, etc)
