INTERNATIONAL MEETING

SUICIDE PREVENTION 2012:

IDEAS, INNOVATION, IMPLEMENTATION

FRIDAY SEPTEMBER 28TH 2012

AUCKLAND

As a satellite meeting to the World Injury Conference (Wellington, October 1-4, 2012), the University of Otago and the University of Auckland will jointly host, in Auckland, a one-day Suicide Prevention meeting.

This meeting will feature presentations from a number of international researchers and service providers from the United States, Ireland and Australia. In addition, New Zealand researchers will discuss their innovative, award-winning, suicide research and suicide prevention programmes and the Ministry of Health will unveil their updated plans for the last four years of the New Zealand Suicide Prevention Strategy, 2012 - 2016.

There will be lots of opportunities to meet and mix with all the presenters and with the New Zealand delegates.

A detailed programme will be available shortly – to be informed of updates please register your interest on the conference website:
