

Student Health Services Health365 Enrolment Form

Terms and Conditions for students signing on for Health365 at Student Health

I confirm that:

- I have asked any questions and had satisfactory answers to any questions that I have about Health365.
- The e-mail address given below is my University of Otago student web mail address.
- I understand that I am responsible for the security of my Health365 log-in details and any personal health information that I access using it and that the password is only used for Health365 and nowhere else.
- I agree to inform Student Health staff if I am aware of any information on my Health365 record that I believe is incorrect.
- I am aware that the appointments made available on Health365 are not the only appointments available at Student Health. I am aware that if I do not find an appointment on the day I require, I can call Student Health reception and arrange an appropriate appointment, or in an emergency I will call 111 for an ambulance
- I am aware that it is the responsibility of my GP to decide whether prescription requests through Health365 can be entered into or whether a face to face consultation would be in my best interests.
- I understand that certain services such as issuing repeat prescriptions will incur an appropriate fee and agree to pay such fees as charged.
- I understand that when I leave University my access to Health 365 will be discontinued, my status on Medtech will change to inactive and e-vision will show no access to university resources.
- I am aware that if I violate any of these terms and conditions I may lose privilege of access to Health365 and its features at Student Health.
- I wish to register for Health365.
