Student Health Services is not a Primary Health Organisation (PHO) or a member of any PHO. We require you to enrol with us and provide demographic information to enable us to provide you with a full range of primary health care services. Completing the declaration below does not affect any existing enrolment you have with a PHO. You may choose to remain registered at your current GP practice and still attend Student Health.			
Declaration - IMPORTANT – PLEASE READ AND SIGN BELOW			
Please enrol me with Student Health Services. I understand that under the health information privacy code, my clinician may			
1. Share my information with other health organisations to be used in a non-identifiable manner for health statistics.			
2. For funding purposes be required to provide some identifiable information to other health organisations.			
3. Share my health information with other Student Health staff and external health care providers with the intent of improving the coordination, safety and quality of my health care.			
If you do not wish this information to be shared with external health care providers please discuss with your clinician at Student Health.			
4. Student Health may send you general advice by email in response to health information you have entered on your Medical History Form			
I understand that when I cease paying the Otago University Student Services Fee, I am no longer eligible to use Student Health Services.			
Signature: _____		Date: _____
