

Emeritus Professors

On the recommendation of the Vice-Chancellor, the title of Emeritus Professor is conferred by the University Council on Professors who are deemed to have made a distinguished contribution to teaching and research in their chosen academic field and in service to the University in general.

The year at the left of each name is that of taking up continuous appointment in the University, and the year at the right is that in which the title of Emeritus Professor was awarded. The year of promotion to Professor is noted after each name where that differs from the year of appointment to the University, and the discipline of each Professor's chair is noted in italics. Emeritus Professors who are deceased are not listed.
