Please complete the following and forward to [student.development@otago.ac.nz](mailto:student.development@otago.ac.nz) or bring the form into the AskOtago Central Hub in the Information Services Building. You will need to provide your completed study plan before your course can be approved.

Year academic progress was affected

Reason for lack of academic progress in the year noted above

Planned action to improve academic progress

What support groups have you belonged to/actively participated in previously, and what are your intentions for the coming year?

By submitting this form I confirm the following:

- I accept responsibility for my academic progress and am committed to carrying out my stated plans to improve my academic performance while on Conditional Enrolment.
- I will take account of advice provided by my Designated Adviser of Studies, and will endeavour to follow such advice as appropriate.
- I will pro-actively seek assistance if I am experiencing difficulties with my study.
- I am aware of the University's Academic Progress Policy, including the prescribed standard of satisfactory academic progress.
- I acknowledge that if I fail more than half of the points I attempt in my Conditional Enrolment year, I will be suspended from the University of Otago for two years.
