

Does the ¼ acre section have a part to play in the future of New Zealand's urban form?

Join the School of Surveying for a panel discussion on tensions between consumer preference, affordability, liveability, sprawl, growth management and land supply in New Zealand.

Panelists include Mick Strack, Colin O'Byrne, Richard Hemi and Greg Leonard.

12:00 noon Thursday, 23 May

Room 113 (L1)

School of Surveying

310 Castle Street
