

How are meaning and narratives expressed through the different types of landscape representation used in the spatial fields?

Join the School of Surveying for a panel discussion of current models of landscape representation and visualisation, and where we might look for inspiration.

Panelists include: Christina Hulbe, Tony Moore, Pascal Sirguy, and Colin O'Byrne

12:00 noon Thursday, 30 May
Room 113 (L1)
School of Surveying,
310 Castle St.
