

Gardens View and the Sabina Apartments

***Maaike Duncan
Terramark Ltd***

ABSTRACT: This talks presents Terramark's experiences during 9-years of involvement with Gardens View and The Sabina Apartments complex located in Dunedin. Maaike was presented with a New Zealand Institute of Surveyors Award of Excellence in 2013 in recognition of her role in the project. The judging panel offered the following commendation for the project: "The Sabina Apartment Complex, the panel believes, represents surveying excellence in concept formulation, civil roading and services design and project management of an apartment complex involving a sensitive steep site and an existing building."
