

# An Introduction to the University of Otago's new Student Desktop

***Emerson Pratt***  
***Manager, Teaching and Learning Facilities***

The screenshot shows the University of Otago Student Desktop login interface. On the left, there is the University of Otago logo and the text 'Student Desktop LOGIN'. The main area is titled 'Welcome' and contains the instruction 'Please log on to continue.' Below this are two input fields: 'User name:' and 'Password:'. A yellow 'Log On' button with a checkmark icon is positioned below the password field. At the bottom, there is a link for 'Need help: Student Desktop FAQs'.

**Come along and learn about the exciting features of the new Student Desktop, including availability on or off campus on any device, faster logins, Windows 7 operating system and access to 1 Terabyte of cloud storage.**
