

What did our Summer Bursary students get up to this year?

*School of Surveying
University of Otago*

Summer on the road: Jessie, Liam and Paul will share their summer adventures undertaking deformation research using GNSS equipment.

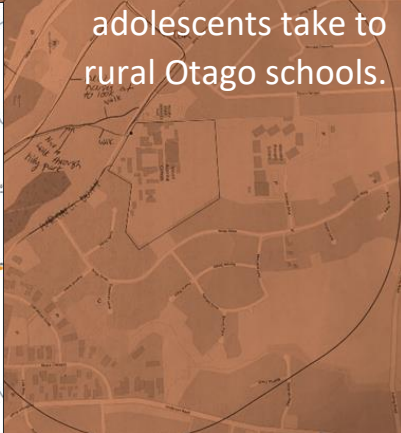

Where is the bank of a river? Devon and Mick explored recent land issues relating to surveyors.

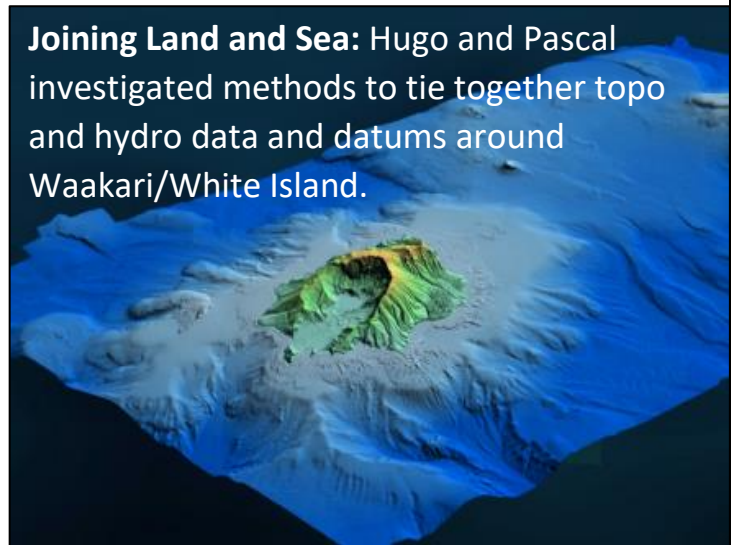

BEATS Rural Neighbourhood Mapping 2019:

Thornton and Tony investigated the routes adolescents take to rural Otago schools.

Joining Land and Sea: Hugo and Pascal investigated methods to tie together topo and hydro data and datums around Waakari/White Island.

12:00 noon, Thursday 12 March 2020
L1 Lecture Theatre
School of Surveying, 310 Castle Street

Join remotely:
