

# You Call That Steep? A Madcap Adventure Where a New Zealand Surveyor Takes on Guinness

21 March  
Global  
**SURVEYORS**  
DAY

*Toby Stoff – BSurv Otago, MNZIS, MCSNZ*

CLARK FORTUNE MCDONALD

March 21

## School of Surveying Public Lecture

Toby Stoff, School of Surveying Alumni, will be talking about the science and some of the funny adventures and many people he has met along the way. And a talk from Toby would not be complete without his reflections on the Baldwin Street world record saga and how that story unfolded. This Public Lecture is part of a series of events recognising Global Surveyors Day 2020.

School of  
**Surveying**  
*Te Kura Kaiūri*

5:00 pm, Thursday, 19 March 2020

L2 Lecture Theatre

School of Surveying, 310 Castle Street
