NZ Region – Australasian Hydrographic Society Webinar #8

When:

- Tuesday 14th April 1pm NZT: Duration 1 hour maximum
- It will be recorded for members who can't make the date/time

Agenda:

- Opening remarks: Gary Chisholm & Kevin Smith (NZR Chairman)
- **TOPIC 1: The latest hydrographic technology to hire from Unique Subsea Australia QLD**
 - Cory Brooks cory.brooks@unique.com
 - Cory will explain how using an iXBlue Hydrins INS and the Seafloor System's Echoboat, he was able to survey under a wharf at the Port of Brisbane with a minute's GPS outage. He will provide a brief on the iXBlue DRIX which are being offered to the APAC market
- **TOPIC 2: Hydrographic surveying in NZ's sub Antarctic Islands**
 - Emily Tidey - Otago University
 - Emily will provide an overview of her publications on the challenges and results of work in this remote location.
- Questions
- Closing remarks: Gary Chisholm
