#### Mark Morton Parker (1975-2002)

---

Mark was born in Timaru and was educated at Timaru Boys' High School. He attended Otago University and was resident at University College in 1994. He graduated Bachelor of Commerce, with a double major in Marketing and Management in 1998.

He studied, flatted, played sport, traveled and lived with many of those friends. Mark traveled extensively, worked in London, and played cricket in the Hampshire Leagues. He was entering the years when one begins to enjoy the results of all that learning and experience.
