Installing the Citrix Receiver for Windows PCs

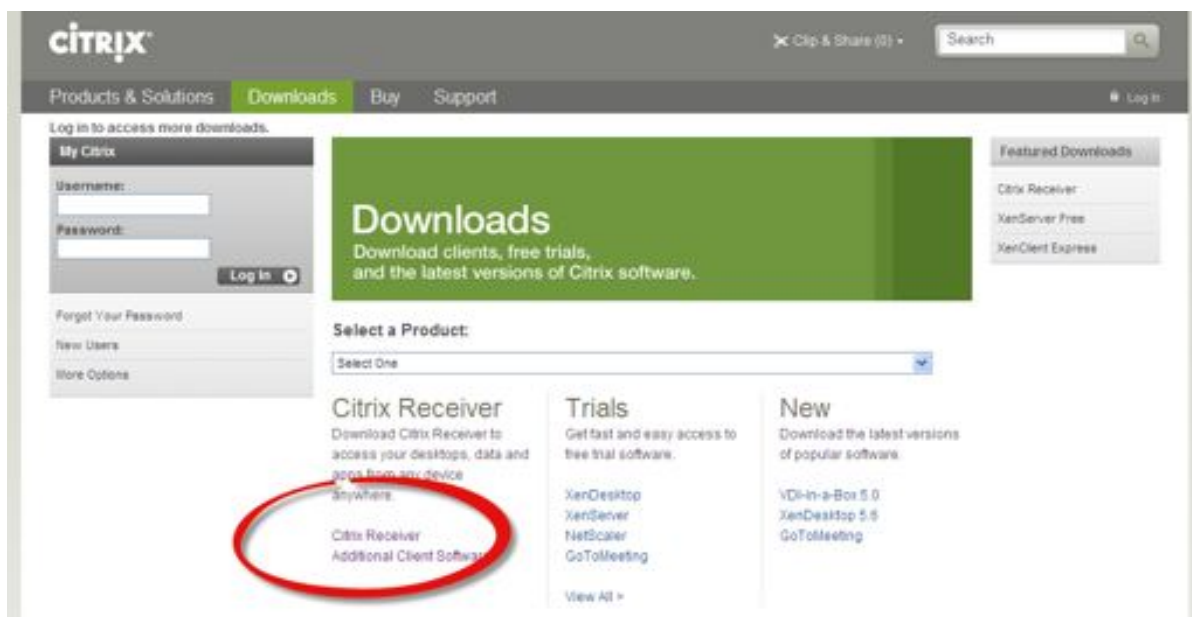

To login from a non-CCDHB PC you will need to install the Citrix receiver.

This receiver can be found on the Citrix website and once downloaded will allow you to launch the Citrix 99% icon from your login through the CCDHB [staff login](#) site.

In your web browser browse to www.Citrix.com

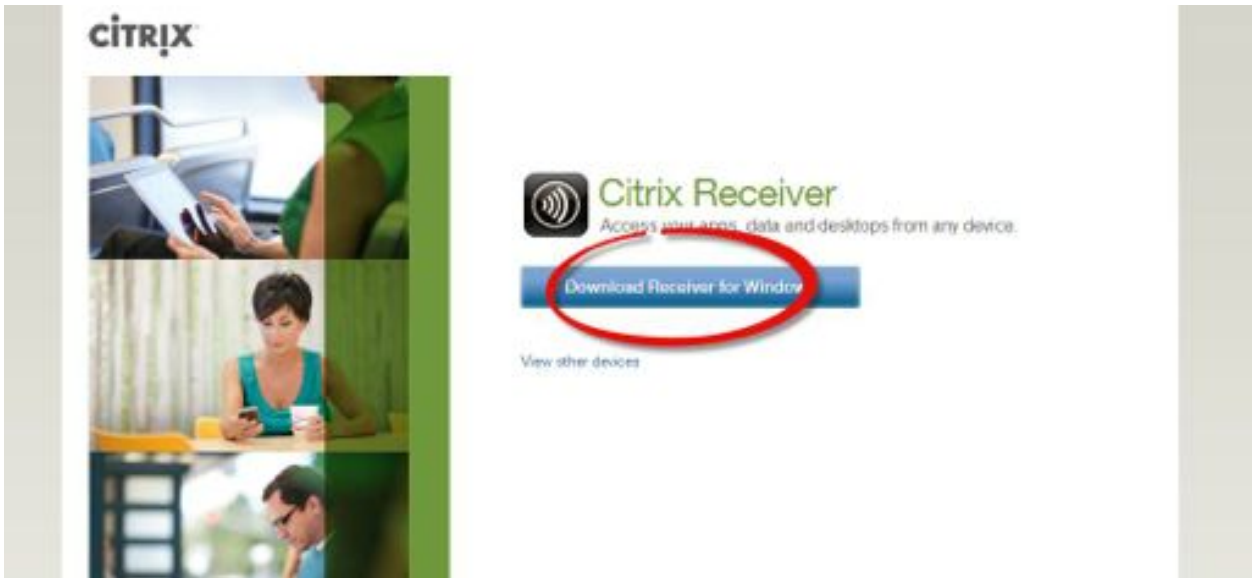

Click on the **Downloads** link at the top of the page.

On this page, select **Citrix Receiver**.

It will **automatically detect** your operating system and present you with the correct download to select.

If you desire you can **select a product** from the dropdown menu above a select the citrix receiver, this will take you to a page where you can prompt it to automatically detect your browser

You will see that you can **View other devices** also, and this presents you with the option for **other devices receivers**. For Mac OS X users, click [here](#) for installation instructions.

Clicking the **download** button take you to this window.

NB: **Allow** Internet Explorer to **download files** by clicking the **yellow bar** in the top of the screen.

Follow the on screen instructions.

Once you have downloaded the receiver software there will be a prompt box for you to **Run** the software.

Click **Run**

Select **Install**

Once installed you **may** be prompted to restart.

Now that you have installed the Citrix Receiver jump to [Logging into Citrix from the C&CDHB Website](#).

Installing the Citrix Receiver for Mac OS X

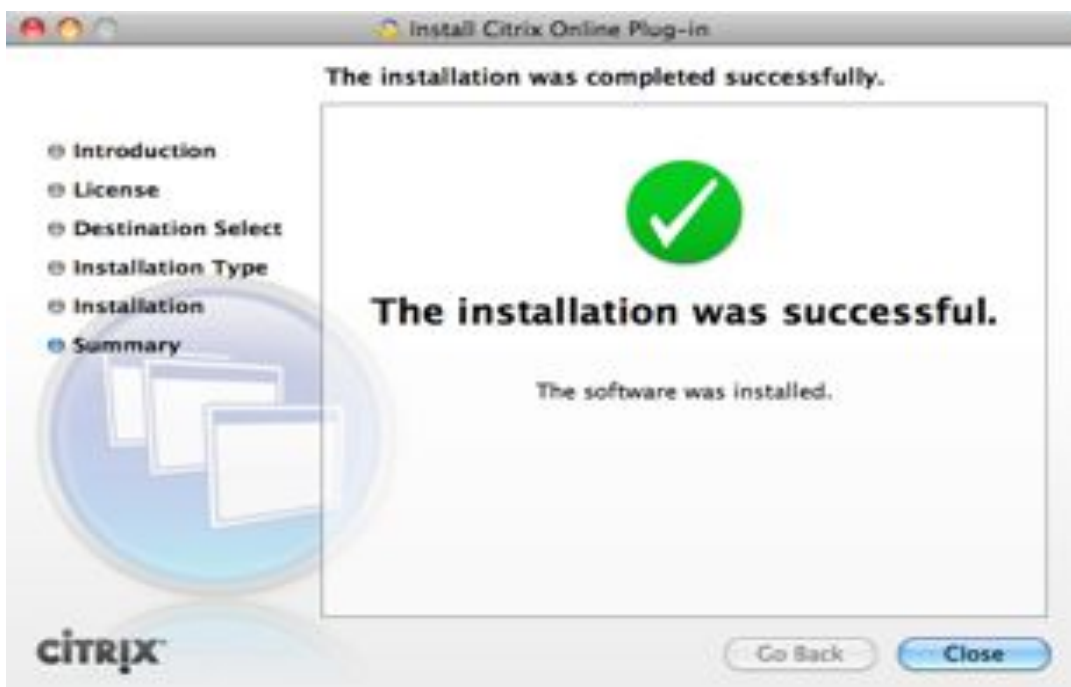

To login from a non-CCDHB Mac you will need to install the Receiver for Mac. This receiver can be found on the Citrix website and once downloaded will allow you to launch the Citrix 99% icon from your login through the CCDHB staff login site.

In your web browser browse to www.Citrix.com

Clicking on Install **Citrix Online Receiver.pkg** will start the installation process, from the next screen click **Continue**

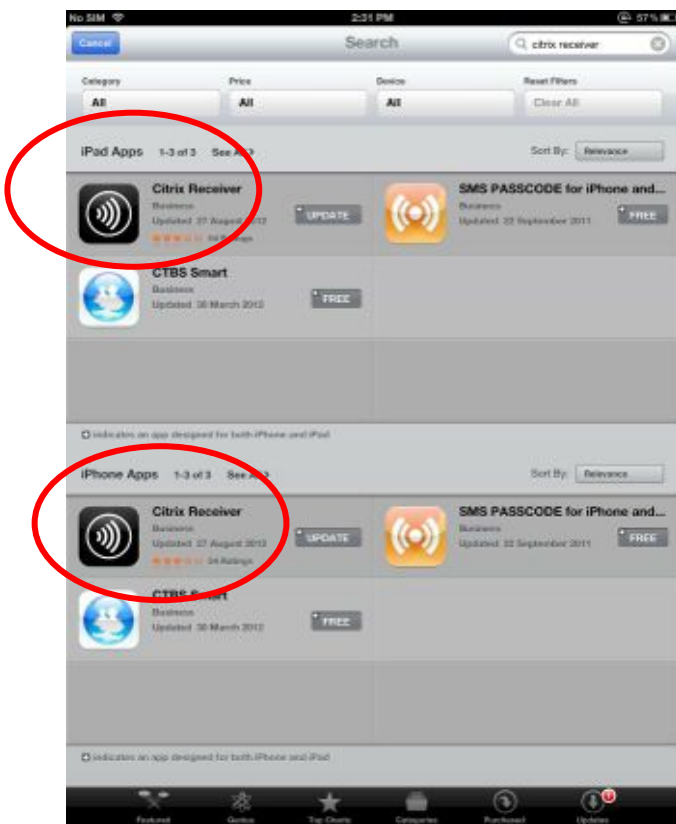

You will then be prompted at the **Installation** stage to enter a **Username** and **Password**. This is the Username and Password for your computer (not your CCDHB login details)

Once complete the installation will tell you when it has completed successfully. From here you can now go to the CCDHB website and login through the [Staff Login](#) link.

Installing the Citrix Receiver on an iPhone/iPad

There is a link on the front page for **Staff login**. This link can be found at the top right hand corner of the homepage.

The screenshot shows the homepage of the Capital & Coast District Health Board. At the top left is the logo with the text 'Capital & Coast District Health Board' and 'ŪPOKO KI TE URU HAUORA'. To the right of the logo is a navigation bar with links: 'Home', 'Search', 'Contact us', 'Press', 'Professional development', and 'Staff login' (circled in red). Below the navigation bar is a secondary menu with links: 'About us', 'News & events', 'Our hospitals', 'Our community', 'Planning & funding', and 'Careers'. The main content area starts with a welcome message: 'Welcome to the Capital & Coast District Health Board website.' Below this is a 'Latest news' section featuring a photo of a group of people gathered around a large, textured stone structure, with the caption 'Korowai Opening at Wellington Hospital'. To the right of the photo is an 'Are you...' section with a list of links: 'looking for a GP?', 'preparing to have surgery?', 'visiting Wellington Hospital?', 'visiting Kenepuru Hospital?', 'visiting Kapiti Health Centre?', 'looking for a job in health?', 'interested in volunteering at our hospitals?', 'quitting smoking?', and 'Want to provide feedback on the Health Passport?'. Below this is an 'About C&C DHB' section with text: 'C&C DHB funds and provides health services in the lower part of the North Island. We operate Wellington Hospital, Kenepuru Hospital and the Kapiti Health Centre, in addition to contracting hundreds of services from community-based health professionals.' and a 'More >' link. At the bottom is a 'Kapiti Consumer Committee' section with text: 'C&C DHB is setting up a Kapiti Consumer Committee, which will be...'

Clicking this link will take you to the staff login site, from here you can access your emails or choose to login to Citrix and have access to your emails and applications.
