

Appendix 17

Identification of Biological Products

University of Otago, Wellington

Transitional Facility

Audit Form for Identification of Biological Products Imported Under a MPI Permit

The following form should be filled out by the PI responsible for the importation of any uncleared biological product as defined by the Biosecurity Act 1993.

UOW & PI ID	
PI Name	
Date Imported	
Substance Imported	
Quantity of Substance	
Import Permit Number	
MPI Clearance Number (BACC Number)	
Place where stored	
Date Destroyed	
Facility Manager's Signature	
PI's Signature	

It is the PI's responsibility to ensure that the use of the material conforms to the stated standards and is disposed of as stated in the Transitional Manual.
